The diagram shows a rectangular bathtub with various options and dimensions. On the left side, there is a 'Überlauf' (overflow) option with checkboxes for 'ja' and 'nein'. In the center, there is a circular 'Armaturlochbohrung' (faucet hole) with checkboxes for 'ja' and 'nein'. A central box contains fields for 'Wannentyp:', 'Wannenfarbe:', and 'Farbe Badewannen-Verkleidung:'. Below this is the 'Ablaufgarnitur' (drainage fixture) section with checkboxes for 'nein', 'Multiplex', and 'Multiplex Trio'. On the right side, there are three vertical dimension boxes: 'T3=' (minimum 50 mm), 'T2=' (minimum 55 mm), and 'T=' (total height). At the bottom, there are three horizontal dimension boxes: 'B1=' (minimum 50 mm), 'B=' (total width), and 'B2=' (minimum 50 mm). A 'T1=' box (minimum 70 mm) is also shown at the bottom right, indicating the height from the drain to the bottom edge.
