

FONTANA FSP

MINIMALIST SHAPE

FSP-35

NOTES

- Thermoformed Fontana single sink by Hasenkopf
- Wall thickness: 12 mm
- Heat-resistant bottom made of high-quality stainless steel
- Available with or without overflow
- All internal corners manufactured with internal radius
- Including drain fitting for drain hole Ø 88 mm, manually operated or pop-up waste
- Also available on request with solid surface material bottom – however only with exclusion of warranty

COLOURS

- Available in all Corian® and HIMACS® colours
- ⓘ For colours with veining or particulate structures, material-related colour variations between basin and sheet may occur. Consultation with our internal sales team regarding colour coordination is recommended.
